

Round-Table Meeting

“Toward Realizing a Low-Carbon Transport Society in Khon Kaen, Thailand”

- Organized by:** Transportation Research Center, Transportation Engineering and Socio-Technology Program, Graduate School of Science and Technology, Nihon University
- Date:** December 20th, 2012
- Place:** Meeting Room, No.122 (Building No. 1), Surugadai Campus
College of Science and Technology, Nihon University
8-14, Kanda-Surugadai 1-chome, Chiyoda-ku, Tokyo 101-8308, Japan
- Access:** Please see <http://www.cst.nihon-u.ac.jp/intl/about/surugadai.html>
- Language:** English
- Participation Fee:** None
- Presenters:** Prof. Dr. Atsushi Fukuda,
Director of Transportation Research Center, Nihon University
Dr. Sittha Jaensirisa, Ubon Ratchathani University, Thailand
Dr. Varameth Vichiensan, Kasetsart University, Thailand
Dr. Thanned Satiennam, Khon Kaen University, Thailand
Dr. Paramet Luathep, Prince of Songkla University, Thailand
Dr. Nuwong Chollacoop,
National Metal and Materials Technology Center (MTEC), Thailand
- Agenda:** We will arrange this round table meeting to discuss the above theme with all participants based on hot issues remarked by presenters
- Contact:** Transportation System Lab., Department of Transportation Engineering and Socio-Technology, College of Science and Technology, Nihon University

ラウンドテーブルミーティングのご案内

議 題：タイ・コンケンにおける低炭素交通社会の実現に向けて

日 時：2012年12月20日（木） 16:00-17:45

場 所：日本大学理工学部駿河台校舎1号館2階122室

(<http://www.cst.nihon-u.ac.jp/map/suru.html>)

申 込：必要ございません。当日、直接会場にお越しください。

参加費：無料

アジェンダ：各先生方よりご講演頂いた後、ディスカッションを実施

問合せ先：日本大学理工学部社会交通工学科交通システム研究室
